Encircle Tech Sheet: Daily Work (iPad)

Unofficial. Current Encircle Hydro, from the help center (checked Oct 18, 2026). MC = moisture content. [verify] = check in app.

Before you go

- **Offline prep:** **Claim** > ☰ > **Download Data** while you have signal

Open the job

- **Find it:** **My Claims** > search name, claim #, address
- **Open Hydro:** **Claim** > **Hydro** > **Tasks** tile (**Visit #**)

Daily moisture readings

- **Reading:** **Moisture Content Readings** > room > **Tap to take reading** > **Add Meter Photo** > shutter > **Done** > check MC > **Save**
- **Wettest spot of that material in the area today (it can move). Take the meter photo.**
- New wet material? Tell your lead (new point)

Air readings, every visit (all 4)

- **Outside:** **Exterior Reading** > **Add Meter Photo** > Temp + RH > **Save** (or **Use** weather)
- **Unaffected:** **Unaffected Area Reading** > room > meter photo > Temp + RH > **Save**
- **Affected:** **Affected Area Reading** (each chamber, same room) > meter photo > Temp + RH > **Save**
- **Each dehu:** **Dehumidifier Readings** > room > **Tap to take reading** > **Add Meter Photo** + **Add Timer Photo** > Temp, RH, Hours Running > **Save**
- **No chamber = no affected or dehu tasks. Ask your lead to set one up.**

Equipment

- **Add:** **Equipment Placement** > red **+** > room > **+** per type > **Place** [verify on later visits]
- **Pull one:** **Hydro** > **Equipment** > **Days On Site** > ··· > **Remove From Job** > **Yes**
- **Pull all:** **Equipment** > ··· (top right) > **Remove All Equipment** > **Yes**
- **Pull it in the app the same day you pull it on site**

Finish the visit

- **Done:** task list > **Complete**

Photos

- **Overviews:** room > **+** > **Add Photos & Videos** > **Done**
- **Before:** overviews before you touch anything, left to right
- **After / stages:** **+** > **Add Room Note** > "Demo complete" + photos > **Save**
- **Wrong room:** **Select** > **Move** > structure > room
- **Real room names. Never rooms called "Before" or "Day 2"**

Notes

- **Room note:** room > **+** > **Add Room Note** > title > photos > **Save**
